

# WELCOME TO OUR OPEN DAY AT BANBRIDGE CAMPUS

We're delighted that you're considering Southern Regional College and would like to extend a very warm welcome to our Banbridge Open Day.

We know that when considering your next step, one of the most important things is to get a feel for the College and all the aspects of life and study that matter to you. That's why we've created a flexible Open Day experience that enables you to explore our

campus, departments, facilities, and support services.

You can talk to our support staff in the Main Event Hall when you arrive, while also visiting staff and facilities in other areas of our Banbridge Campus.

We've created this handy guide for you to use to find out more about what each subject has on offer, to help you plan your time.

## COLLEGE LIFE

College life is about more than just study. Our general information stands are manned by staff who can answer any questions you may have related to student life such as finance, learning support and careers.

You will also have the opportunity to apply to SRC while at Open Day!

Our support services staff will be available to talk to you in the Banbridge Campus Main Event Hall.

Area	Find out More
<b>Careers Guidance Service</b>	Perhaps you haven't yet decided on the best route for you and need some advice on what your next step may be. Our Careers staff are happy to help guide you to make the right choice.
<b>Learning Support Services</b>	We are committed to providing a safe, supportive, and welcoming learning environment for all our students. Our inclusive policies aim to promote active participation and seamless integration into College life. Our Learning Support team can help support all students to become independent learners.
<b>Student Finance</b>	Our Campus Services team will answer any finance related queries you may have. This may cover applying for higher education loans and grants or considering if you are eligible for Educational Maintenance Allowance.
<b>Admissions &amp; Online Applications</b>	The Admissions team are on hand to answer any questions you have around our application process. Should you wish to make your application while on campus at Open Day, we have laptops available, and our staff can help take you through this process.
<b>Student Engagement</b>	SRC Student Union hosts a series of events across the College throughout the academic year to ensure students have access to advice, information and resources to help both personally and academically. Speak to one of our Student Engagement Officers to discover how you can make the most of your College experience.

# SUBJECT ACTIVITY

Check out our subject hubs to learn lots more about the course you are interested in studying. These hubs mirror the subject choices available at our Banbridge Campus.

Staff will give you an introduction to what our different subject areas have to offer, as well as giving you the chance to ask any questions you might have of our academic staff.

Subject Area	Find out More	Location
<b>FACULTY OF COMPUTING, DESIGN &amp; ACADEMIC STUDIES</b>		
Art & Design (Graphic Design, Photography, Creative Imaging)	Ranging from part time courses to honours degrees, our art and design team will showcase the range of courses on offer and provide you with an overview of the modules you may complete which may include visual language in photography, fine art, graphic design practice and professional practice. <b>Showcase: View our photography studio and see how professional printing of photographs works in practice</b>	Room BAN-0-26 & BAN 1-12
Information Technology	Our computing & IT staff can help you secure the knowledge, skills and behaviours needed to succeed in the workplace. Our study programme is designed to help you secure employment in the growing computing sector and address the increasing need for high quality professionals. <b>Showcase: See our showcase of Internet of Things, Networking and Robotics</b>	Room BAN-2-11
Games Development, Animation & VFX Skills	This qualification will enable you to develop the skills that will allow you to become part of the games, animation and VFX industry. This is an industry that makes £419bn+ per year - more than Hollywood and the music business! <b>Showcase: Get involved in animation and learn some of the techniques involved</b>	Room BAN-2-07
Media	From introductory animation skills through to higher level qualifications, we can teach you the skills needed to allow you to gain employment in the media industry; an important growth area in the UK and Ireland. Our courses cover moving image, 2D and 3D animation, web authoring, graphics, and sound. Check out the range of media courses we have available. <b>Showcase: View our studio facilities to get a feel for learning in a virtual environment</b>	Room BAN 1-08
<b>FACULTY OF HEALTH &amp; SCIENCE</b>		
Counselling	Our level 4 certificate in counselling studies, awarded by Ulster University, is available on our Banbridge campus. Our expert staff aim to provide individuals with theory and skills that will be useful in helping people in a range of professional and personal contexts. <b>Showcase: Join a lecture to hear all about what is involved in studying counselling</b>	Room BAN-2-12
Health and Social Care	With the increasing demand for qualified staff in our health and social care sector, why not think about a course in this industry? Our team are available to speak to you about the courses on offer that can lead to a range of employment opportunities in the health care sector. <b>Showcase: Learn the basics of First Aid and using AED defibrillators. Have a go at taking clinical observations such as blood pressure and heart rate</b>	Room BAN 2-14

**Join us on campus tours at 5:30pm, 6:00pm and 6:30pm to explore our high spec, industry standard facilities**
