

# WELCOME TO OUR OPEN DAY AT LURGAN CAMPUS

We're delighted that you're considering Southern Regional College and would like to extend a very warm welcome to our Lurgan Open Day.

We know that when considering your next step, one of the most important things is to get a feel for the College and all the aspects of life and study that matter to you. That's why we've created a flexible Open Day experience that enables you to explore our campus, departments, facilities, and support services.

You can talk to our support staff when you arrive, while also visiting staff and facilities in other areas of our Lurgan Campus. Please avail of our campus tours starting from reception at 5.30pm, 6.00pm and 6.30pm.

We've created this handy guide for you to use to find out more about what each subject has on offer, to help you plan your time.

## COLLEGE LIFE

College life is about more than just study. Our general information stands are manned by staff who can answer any questions you may have related to student life such as finance, learning support and careers.

You will also have the opportunity to apply to SRC while at Open Day.

Area	Find out More
<b>Careers Guidance Service</b>	Perhaps you haven't yet decided on the best route for you and need some advice on what your next step may be. Our Careers staff are happy to help guide you to make the right choice.
<b>Learning Support Services</b>	We are committed to providing a safe, supportive, and welcoming learning environment for all our students. Our inclusive policies aim to promote active participation and seamless integration into College life. Our Learning Support team can help support all students to become independent learners.
<b>Student Finance</b>	Our Campus Services team will answer any finance related queries you may have. This may cover applying for higher education loans and grants or considering if you are eligible for Educational Maintenance Allowance.
<b>Admissions &amp; Online Applications</b>	The Admissions team are on hand to answer any questions you have around our application process. Should you wish to make your application while on campus at Open Day, we have laptops available, and our staff can help take you through this process.
<b>Project Based Learning</b>	Project Based Learning (PBL) is a teaching method in which students learn by actively engaging in real-world and personally meaningful projects. PBL is a very active part of the qualifications we deliver at SRC, helping you become more employable. Speak to the PBL team to find out more about how PBL can enhance your learning.
<b>Student Engagement</b>	SRC Student Union hosts a series of events across the College throughout the academic year to ensure students have access to advice, information and resources to help both personally and academically. Speak to one of our Student Engagement Officers to discover how you can make the most of your College experience.
