

## The services we offer

This is an extension of the information class 'who we are and what we do'. While the first class provides information on the roles and responsibilities of the NDPB, this class includes details of the services which are provided by the NDPB, internationally, nationally and locally as a result of them. It will include information about the services we currently provide such as guidance and newsletters produced.

Definition Document	Availability
Regulatory responsibilities	The College does not hold this information
Prospectus and course content	Please click <a href="#">here</a>
Welfare and counselling services	Please click <a href="#">here</a>
