Discover your Potential with
Further Education at SRC

Course Levels Explained

At Southern Regional College, you can choose from a variety of courses, from entry level qualifications right through to degree and postgraduate study.

So where do you begin your journey? The table below should help you understand at which level to join. This leaflet focusses mainly on courses from entry level to level 3. Apprenticeships at level 2 and 3 are dealt with separately in our Apprenticeship leaflet.

Level	What is it?	Qualifications Offered at SRC	Equivalency	Progression Routes
Entry Level 0	An introduction to education and employment skills. Generally, courses for those not currently in education, training or employment or with special educational needs.	LEAP Employability or LEAP Personal & Social Development	N/A	Progress to a level 1 course, or depending on qualifications gained, consider applying for a level 2 qualification.
Level 1	An opportunity to acquire a broad range of knowledge and practical skills. These courses address personal and development needs to enable learners to gain the necessary skills to move to the next level.	Step Up Employ Me Hospitality & Catering Level 1 Certificate	GCSE Grades D-G	Join a Level 2 NI Traineeship, Level 2 Apprenticeship or Level 2 Award or Certificate in a variety of disciplines and move your career forward.
Level 2	Focus on a specific subject area. Level 2 courses offer a practical way to study to gain the skills needed to secure employment or to progress to Level 3. Suitable for those with GCSE grades D-G. Also suitable for those wishing to study an apprenticeship.	Level 2 NI Traineeships Level 2 Diplomas Level 2 Apprenticeships (pick up an Apprenticeship leaflet)	4 or more GCSEs Grades A*-C	Progress to Level 3 Further Education or a Level 3 Apprenticeship. Can lead directly into skilled employment where level 2 skills are in demand.
Level 3	Build on knowledge to progress to higher education or skilled employment. Most level 3 courses carry UCAS points to allow entry to higher level education. Access courses for adults with few or no formal qualifications who wish to prepare for entry to university. Recognised by employers. Level 3 Apprenticeships will help further knowledge in a chosen subject area.	A-Levels Extended or National Diplomas Adult Access Level 3 Apprenticeships (pick up an Apprenticeship Leaflet)	2, 3 or 4 A-Levels (depending on route taken)	Move onto higher education courses. Gain a Degree, Foundation Degree, Higher National Diploma/Certificate or Certificate of Higher Education. Apply direct to the College for higher education or to university.

Courses in Depth

A-Levels (Level 3)

The SRC A-Level Academy is located at our Armagh campus and offers a full range of AS and A2 subjects on either a full-time or part-time basis. You can find out more about our A-Level Academy by viewing our A-Level course guide on the College website in the course guide download section (available via Student Life on the College's website).

Duration: 2 years to complete A2 levels

Entry Requirements: To study 3 A-Levels - 18 points / 6 GCSEs at Grade C including GCSE Maths & English. To study 4 A-Levels - 21 points / 7 GCSEs at Grade C including Maths & English. Specific subject grades at GCSE may apply depending on A-Level options chosen. It is desirable that applicants have attained a GCSE at grade B or above in the subject they wish to study for A-Level.

Further Education (Level 3)

Level 3 full-time further education courses offered at SRC are generally Level 3 Extended Diplomas or National Diplomas. Students choose one area they are interested in and this forms the basis of the full Level 3. Most of these qualifications are equivalent to 3 A-Levels. Our level 3 courses have been developed in collaboration with employers so that the course content meets the needs of industry and prepares students for work, further training, or further study.

Duration: 2 years

Entry Requirements: 15 points, consisting of at least 4 GCSEs at grade C or BTEC Level 2 Diploma or NVQ Level 2 or Leaving Cert profile equivalent to 12 points (of which 3 subjects must be achieved at Grade C3 or better at Ordinary Level) pre-2017. From 2017 onwards, 3 subjects must be achieved at O4 or better at Ordinary Level. Each Level 3 course at SRC will require differing and specific requirements. Please see the course information on the SRC website for further details.

Adult Access Courses (Level 3)

If you are returning to education, don't feel daunted. Whether it's been a while since you've been in a classroom or you have qualifications in a different area, our Adult Access courses will introduce you

to your new career and prepare you for university or other higher education courses. Adult Access courses are designed for those aged 19+ who have been out of education for a while. Learning never stops, so why should you!

Duration: 1-2 years (depending if full-time or part-time route taken)

Entry Requirements: No formal requirements.

Apprenticeships (Level 2 & 3)

Apprenticeships offer apprentices the opportunity to gain a qualification while working within their chosen field. Apprentices split their time between the workplace and College and earn a wage while completing their course. Our facilities allow apprentices to gain practical experience to take into the workplace making them work ready. Apprenticeships are open to anyone of any age allowing older learners to jump back into workplace learning and get qualified. Find out more about apprenticeships on offer at SRC in our separate Apprenticeships course guide.

Duration: 1-2 years depending on level

Entry Requirements: Requirements are dependent on level. Some apprenticeships also carry enhanced entry criteria. For further details consult our separate Apprenticeships course guide or the College's website.

NI Traineeships (Level 2)

Get ready for work or further study with a NI Traineeship. Traineeships provide a vocational education and training programme and are aimed at school leavers or adults who aspire to work within a specific sector. They are a full-time programme. As part of a Traineeship students will gain:

- A professional and technical qualification in a chosen area.
- Practical and soft skills, such as problem solving, communication, teamwork and leadership.
- A work placement with relevant experience.
- Literacy and numeracy qualifications (Essential Skills or GCSEs if not previously obtained).
- Additional qualifications aligned to occupational area e.g. health and safety, CSR or manual handling.

Duration: Either 1 or 2 years (depending on subject)

Entry Requirements: A Level 1 qualification which is normally 4 GCSEs grades D-G including Maths and English grades D-F or equivalent. Some Traineeships require enhanced grades, so check each subject listing on the College website for details.

Facilities

Fitness Suites & Testing Labs

We believe in education that is practical and relevant. If you chose a fitness related discipline, you will have access to our fitness suites and labs which host a range of cardiovascular and resistance equipment. You can also join one of our sports academies. We also have quite a few sports teams that are always keen for new members - and any student can join!

Theatre & Dance Studios

Our Armagh campus contains a dedicated multipurpose theatre and dance studio. Performing Arts students will train and perform in this space alongside highly skilled musicians, sound engineers, composers, and producers. Students will also tour local schools with performances. Watch out for the SRC Panto each December too - book your tickets early for this in-demand performance.

Music Facilities

Our Armagh campus contains cutting-edge recording studios and rehearsal rooms which will allow students to experience music projects from composition and recording to post-production.

Multimedia, Photography & Art Studios

Unleash your creativity in our multipurpose art and design studios where students can develop their work from initial idea to masterpiece! Facilities include industry standard multimedia suites, equipped with the latest technology for digital design, animation, and video production. Additionally, our professional photography suite provides the ideal environment for studio-based shoots, allowing students to explore various aspects of visual storytelling. Whether you're working with traditional materials or digital media, our comprehensive creative spaces are designed to inspire and support your artistic journey.

Training Workshops

We have huge training workshops across three of our campuses, each hosting industry-standard equipment. Trainees and apprentices can benefit from the latest technology in their chosen discipline.

Embrace Student Life

Jump straight into student life and discover opportunities to meet other students, build your confidence and develop your skills. At SRC we offer a vibrant mix of social, cultural and sporting activities alongside studying.

Get involved in student life

Freshers' Fair

Starting College is exciting but it can be nerve-wrecking. Our annual Freshers' Fairs will introduce you to life at College. Meet other students and get introduced to the wide range of clubs, societies and services available at SRC.

Student Consultative Groups/ Student Council

Sign up to become a class representative and influence policies, decisions and provide feedback. It is YOUR education after all and our Consultative Groups and Student Council act as the student voice on campus.

Students' Union (SU)

Champion your interests and amplify your views. Run for office in our SU elections and become a candidate for positive change. Or perhaps run for SU President and get involved in College governance.

Clubs and Societies

We offer a wide range of clubs and societies to suit every interest. This includes the LGBTQ+ Society, Movie Club, Gamers Club, Debate Club, Women's Society and My World, My Home Group who promote sustainability. Embrace diversity and inclusion with the Cultural Diversity and Inclusion Council or become a Campus Mental Health Champion. Make a difference for all students.

Health and Wellbeing

Your wellbeing matters. At SRC we provide health education, fitness suites, physical activity days, counselling services and life skills and resilience workshops to support all students.

Sustainability

Get serious about sustainability, it's not another buzzword, it's a shared commitment. Real change starts with small actions and together we can make a big impact. Help us reduce the College's carbon footprint, cut down on waste and promote a greener future for everyone. There are plenty of ways to get involved - so take action and be part of the change.

Fundraising

We're passionate about giving back to the community and want you to be part of the change. Share your ideas and let's make a difference together.

Exhibitions and Shows

Experience the creativity of your fellow students through captivating exhibitions and shows. Celebrate our art and design, hospitality, hairdressing, media, music, and visual arts students' work throughout the year.

**Together we can make your
College journey unforgettable.**
