

**The InnovateUs programme provides up to £6,000 worth of mentoring for an innovation activity leading to the development of a New Product, Process or Service.**

**We can help you if you operate in the following areas:**

- **Food Product Development**
- **Nutritional Profiling, Testing and Labelling**
- **New Product Design (all sectors)**
- **Various stages of Product Development & Prototyping**
- **Computing & IT Support**
- **Tourism Innovation**
- **Digital and Emerging Technologies**

**If you have less than 50 employees or a Social Enterprise and have an innovative project idea in these areas we can help you!**
