Seamus started his HLA with the desire to further his career and he enjoyed the flexibility of being able to work and study at the same time.

Seamus advises anyone considering a HLA to be sure it's the path you want to take, then stick to it and work at it.

Seamus says: "It's not always easy - but it is hugely satisfying on completion. It's important to be disciplined and organised and dedicate yourself to your studies".

Applications are open for the Hospitality, Tourism & Events with Specialisms - Hospitality Level 5 Foundation Degree Higher Level Apprenticeship
